Chapter Treasurer
Delta Tau Delta Fraternity

Dear Treasurer:

Delta Tau Delta Fraternity is pleased to announce we have entered into a license agreement with Parson-Bishop Services, Inc. to offer past due account collection services on those brothers who have failed to meet their financial obligations to your chapter.

Parson-Bishop is an officially licensed vendor, and they were selected because of their long, 30-year history and proven track record with several Greek organizations. They provide the full spectrum of collection services that can make your job easier and at a cost that is considerably less than other choices available.

Your Fraternity endorses Parson-Bishop's program for collecting past due accounts for our chapters and encourages you to participate. There are no prepayments or advances of any kind.

By using Parson-Bishop's unique, cost saving services you will collect dollars otherwise lost to you and save considerable time pursuing accounts that are not responsive. Parson-Bishop provides Phase I letter-writing contact and Phase II and III for difficult accounts that need more extensive, personal handling to effect collection.

In order to subscribe to Parson-Bishop's collection program, please call them direct at 1-800-543-0468. The staff will provide you with all the necessary information and items needed to begin using their valuable services. Parson-Bishop's collection program for Greek organizations is also explained at <http://parsonbishop.com/Greek.html>.

Very truly,

Alan K. Selking
